WE SEE A GLOBAL HARVEST: A BILLION PEOPLE INTRODUCED TO JESUS.

THEREFORE GO AND MAKE DISCIPLES OF ALL NATIONS, BAPTISING THEM IN THE NAME OF THE FATHER AND OF THE SON AND OF THE HOLY SPIRIT. MT 28:19

WHO WE ARE

We are constantly amazed at the dedicated staff and partners that God has brought to serve alongside us, and the inspiring ways in which they continue to seize new opportunities to share Jesus.

It is our great pleasure to introduce you to Christian Vision (CV), and to the activities, values and impact that make our organisation unique.

At CV, evangelism is at our heart. We carry a strong desire to introduce people to Jesus, announcing the good news of how he can transform people's lives as he has ours and so many others.

We desire to serve and equip Christians, and the Church, in their evangelistic endeavours. To this end, we have laboured to develop effective media platforms and on-the-ground initiatives. Wherever possible, both are outworked in partnership with local churches, resourcing and equipping them to share the good news of Jesus and mobilise Christians to share their faith.

To reach people with the message of Jesus, we have produced content and gained knowledge that we desire to freely give away so that this life changing message can go much further than we ourselves can carry.

We are constantly amazed at the dedicated staff and partners that God has brought to serve alongside us, and the inspiring ways in which they continue to seize new opportunities to share Jesus.

Thank you for your interest. Should you wish to access our digital resources, engage with our activities or partner with us, please visit our website to learn more and connect with our team.

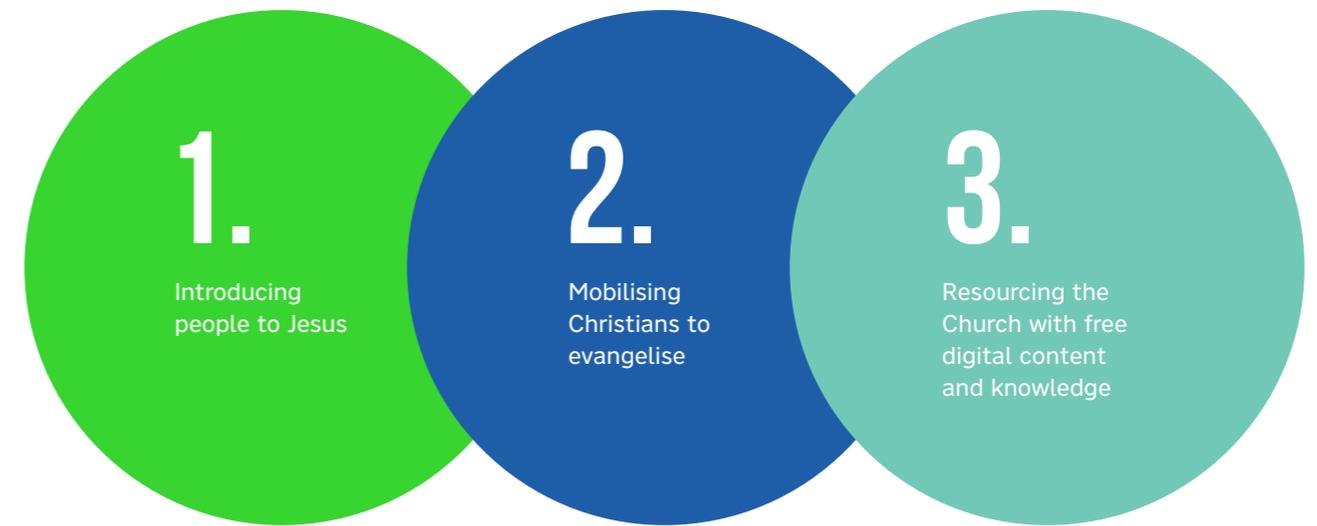

Love and blessing,
Lord & Lady Edmiston
CV Founders

WHO WE ARE

CV is a global Christian ministry with a mission to introduce people to Jesus and encourage them to become his true followers.

Founded in 1988 by Lord Robert Edmiston, we work to see impact in three key areas:

Out of these focus areas, we provide proven and effective platforms that:

- Introduce unreached people to Jesus;
- Inspire, train and equip Christians to share their faith;
- Enable local churches to connect with people searching for answers online;
- Provide free, high quality digital content that churches and organisations can download and share;
- Share knowledge and learnings in digital evangelism and mission;
- Provide pioneering principles for large-scale, on-the-ground mission work.

We are fully funded so don't seek financial partners, but we do believe in the power of partnership; that our collective impact can be exponentially greater when mission-focussed organisations join together in purposeful relationships. We therefore welcome and cultivate partnerships that build the Kingdom of God. Together, we can reach more people with the Gospel!

OUR ACTIVITIES

There are multiple avenues through which individuals, churches and organisations can partner with us and access the media and tools we have available.

INITIATIVES OF CV

yesHEis is a global community of four million young adults who are changing the culture of evangelism. yesHEis equips young adult Christians to confidently share Jesus with anyone in their world by providing them with shareable evangelistic videos and training content to inspire and challenge them along their faith sharing journey.

NPI

The National Pioneers Initiative (NPI) partners with local churches and pioneers to impact nations for Christ through conventional and digital evangelism and discipleship, resulting in the establishment of sustainable, locally-run churches.

CV-outreach

CV Outreach connects people who encounter evangelistic content online to a local church or believer near them, providing a bridge between the online and offline world and a valuable opportunity to engage in conversations about Jesus.

WHAT WE BELIEVE

1. The Bible to be the infallible Word of God, that it is His holy and inspired Word, and that it is of supreme and final authority in matters of belief and behaviour.

2. That there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

3. In the deity of Jesus Christ who was conceived by the Holy Spirit and born of the Virgin Mary. He led a sinless life, took all humankind sins on Himself, died, rose again, and ascended into Heaven. He will return again in power and glory.

4. In the present ministry of the Holy Spirit, whose indwelling enables the Christian to live a godly life.

5. That Jesus Christ is the only way of salvation and that, for the salvation of lost and sinful people, repentance of sin and faith in Jesus Christ results in regeneration by the Holy Spirit.

6. In the resurrection of all people; bringing eternal life to the saved and eternal condemnation to the lost.

7. In the spiritual unity of believers in our Lord Jesus Christ and that all true believers are members of His body, the Church.

8. That we, the Church, are responsible for the spread of the Gospel of Jesus Christ throughout the world.

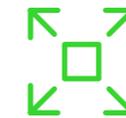

OUR VALUES

The CV values are at the heart of who we are as an organisation and inform our actions and decisions. They are the marks by which we are known, both as an organisation and as individuals within.

Excellence means that we do every task as though we were doing it unto the Lord. It is using our very best efforts to produce high quality results.

Generosity is sacrificially giving of our resources, time and energy. It is more than an act; it is an attitude of willingness to go above and beyond to serve those around us.

Integrity is the commitment to do what is right, good, honest and true.

Grace seeks to operate out of love in all that we are, all that we say, and all that we do.

Humility understands our place before God and his authority in our lives. We are humble in our service to God and others.
